COMMITTED TO CLIENT SATISFACTION

"One of the best contractors I've ever worked with. Quick, decisive, and proactive to manage personnel. VendTech is always well-informed of site activities." - **Bric Lewis, DoD/USAR COTR**

"Very proactive by requesting quarterly meetings with the CO and COR to ensure services are acceptable and looking for new ways to improve and exceed customer requirements. Given what I know today about their (VTE) ability to execute what they promised, I would award them, today, given I had a choice." - **Adam Reynoso, DHS/FPS Contract Specialist**
